

## Good health and more at North Pointe apartments

Posted: 12/15/2009 07:21:59 PM PST

(Brittany Murray/Press-Telegram)

Residents of Long Beach's **North Pointe apartments** received free books, above, from BLAST (Better Learning After School Today), a partner with Molina Healthcare. At right Willie Holifield gets a flu shot; residents were also able to get glucose and blood pressure screening. Below right, residents Ken Deets and Secunda Webb pick out a turkey that Webb won in a drawing.
