Encinitas, CA - Las Palmas is pleased to announce the appointment of Madelyne Pfeiffer to the Board of Directors of the San Diego Foundation for Change.

The San Diego Foundation for Change (SDFC – www.foundation4change.com) was formed in 1983 to fund and support community-led efforts which promote social equality, economic justice and environmental sustainability. SDFC is the only local funding organization devoted exclusively to supporting small and/or emerging grassroots movements working to eliminate the root causes of social problems throughout the San Diego/Tijuana border region. Their Board of Directors is comprised of community leaders who possess an array of expertise which enables the Foundation to identify current social trends and community needs.

Ms. Pfeiffer has been elected as SDFC's Chairperson to the Human Resources Committee. She is responsible for directing the transition team on their search for a new executive director; as well as, insuring that standardized procedures and policies are implemented.

As **Las Palmas Housings'** Director of Social Services, Ms. Pfeiffer continues to oversee and supervise resident service programs at our affordable housing communities.

We congratulate Madelyne on her elected position and her continued philanthropic efforts which focus on making a positive change for youths, families and senior citizens in California.
